Donations in Memory of someone, or for Resident Activity Fund can be made at anytime in the office. Please leave donations in an envelope, with your name and unit# so we can issue a tax receipt (for donations of \$20 or more). Tax receipts are issued by the end of the month, each month.

New Tenant Orientation

We will be holding another New Tenant meeting as we welcome new tenants to Legion Village. We do not have a date yet for our next meeting, but we will keep you posted, as residents move in. If any tenants have questions, they can call Chyvone Samis at 905-372-8705 x101, or Michael at 905-372-8705 x103. At these meetings, we discuss safety issues, including fire safety and evacuation, and some of our activities we have in the Rec Hall and lounges.

Dining Room

Our Food Services Manager, Cathy McGinn has distributed and received surveys from the residents that utilize the dining room for meals. We were very pleased with the responses and are happy to report that over 96% of the residents are pleased with the meals and selections. We have taken all your suggestions and have implemented many of them to provide the best tasting, and more healthy options for our residents. Please see the information cork board for survey results and the minutes of our ongoing Food Committee Meetings and more! Please remember to get to the dining room on time. If you arrive late, it can set the rest of service back, and others may have to wait.

Activities:

The Executive Director welcomes all residents to attend Coffee Morning with Michael on March 10th in the Rec Hall. This is your opportunity to come out and ask questions about Legion Village. Please try to come out to enjoy a cup of coffee and treat, and to hopefully learn something new about your place you call home!

MAINTENANCE DEPARTMENT:

It is that time of year again, for our Fire Safety Inspections. Annual Fire Inspections will be taking place, with Trinity Fire soon between the hours of 8:00 am – 4:00 pm. Staff will accompany Trinity, and we will need access to your apartment. Residents do not need to be home for the fire inspection to be completed. We will announce the dates as soon as they become available.

This is a reminder that if you have visitors that require entry to the building and can not reach you directly, they can enter 9876 to reach the front desk or the PSW's after hours.

And finally.....
