Welcome to our new tenants:

New Tenant Orientation

We will be holding another New Tenant meeting in September in the second-floor lounge. It is a great way to meet some of your neighbours of Legion Village. I invite the Resident Board Representatives to attend so they can meet the new residents and be there to answer any questions about the Board process. If any tenants have questions, they can call Chyvone Samis at 905-372-8705 x101, or Michael at

905-372-8705 x103. At these meetings, we discuss safety issues, including fire safety and evacuation, and some of our activities we have in the Rec Hall and lounges.

Donations for the month of July were graciously received:

In Memory of Dorothy Turk, Marie Gordon and Barb Hillier by Carol T.; Carol L.; Paul H.; Marie O. and Maggie M. and to Activity Fund by Dorland W. and Marlene R. and Sylvia P.

Donations in Memory of someone, or for Resident Activity Fund can be made at anytime in the office. Please leave donations in an envelope, with your name and unit# so we can issue a tax receipt (for donations of \$20 or more). Tax receipts are issued by the end of the month, each month.

Activities Update

Maintenance Update:

Please be kind and clean up after your pets. Just another gentle reminder to use the poop and scoop bags by the Rec Hall to clean up after your pooch!

Please remember that the patio and all other covered sitting areas, including the gazebo and pergolas are all non-smoking areas. You must be at least 9m away from the door of the covered area. Non-smoking signs indicate areas where smoking is prohibited. Smoking is only allowed in designated areas, or at least 9m away from an entrance.

A reminder not to leave anything valuable outside. While we have security cameras installed, we can not see all the areas around Legion Village. Items outside are left at your own risk, so please take care in bringing items inside if possible.

Branch 133, Legion Village, Inc.

Another reminder of the cooling stations at Legion Village. All lounges in Phase 1, Phase 3 Blue room and Solarium are cooling stations 24 hours a day. The Rec Hall is a cooling station Monday to Friday from 8:00 am – 5:00 PM. Please do not adjust the temperatures on the air conditioning units or turn them off. They are set at temperatures to keep the rooms cool. Please keep all doors closed to keep the cool temperatures effective.

DIETARY UPDATE

Just a reminder, that if you wish to order a tray for lunch or dinner service, you must call to request service by 10:30 AM for lunch and 3:30 PM for dinner. Tray service is reserved for those with medical conditions that preclude them from going to the dining room.

If you are experiencing food insecurities, we have a stocked food pantry, which is free to use. Please see a manager in the office to utilize this service.

Any resident wanting to meet with Cathy to discuss Dietary Concerns please call her at 905-372-8705 extension 106 to book an appointment. Cathy will discuss issues and help generate suggestions to follow to improve your diet.

In the summer months, due to the heat and humidity in the kitchen, the Dietary staff will be using paper plates at times. Please understand that this is to help reduce the humidity levels in the kitchen, by not having to run the dish machine to wash the plates.

Please remember to be kind and respectful to your seatmates in the dining room. Rude and/or aggressive behaviour will not be tolerated, and it may lead to removal from your table and/or the dining room.

STAY SAFE AND COOL!!!!

And the final word.....

With the recent heat waves and rising temperatures, please keep hydrated with room temperature water. Remember, that coffee, tea and juice will not hydrate you. FYI, I will be away July 24th – Aug 9th.
