New Tenant Orientation

We will be holding another New Tenant meeting in November to welcome all of the tenants that are new to Legion Village. At these meetings, we discuss safety issues, including fire safety and evacuation, and some of our activities we have in the Rec

Branch 133, Legion Village, Inc.

Hall and lounges. This is a great opportunity to meet your Board Member Tenant Representatives. The next meeting will take place in the second-floor lounge. Please see November calendar to confirm date and location.

Donations in Memory of Myrna Burke by Wilf and Helen S.; Carol L.; Paul H.; Brenda H.

Donations in Memory of Irene Parker by Trudy H.

Donation for Activities by Dorland W.

Donations in Memory of someone, or for Resident Activity Fund can be made at anytime in the office. Please leave donations in an envelope, with your name and unit# so we can issue a tax receipt (for donations in memory over \$20). Tax receipts are issued by the end of the month, each month.

Covid /Flu Shot Update

We will be holding a clinic for those that wish to get a fall Covid booster vaccine and/or the flu shot. We will be arranging to have the vaccine and flu shot at the same time, so residents and staff can choose if they receive either shot. We just received notification that the vaccines and flu shots should be available by the third week of October, and we will set up a date to hold a clinic in late October/early November. We will notify everyone of the date and time of the clinic once the Northumberland Paramedics are set. Those that would qualify for the **Covid fall booster** are residents that could not get the vaccine at our last clinic due to timing of previous shots or had contracted Covid in that time frame. You may receive the vaccine if it has been 3 months from your last booster, and you have not contracted Covid in the last 6 months. **Flu shots** are available to any resident that wishes to receive it. We will be distributing forms for the booster shot to be filled out. We will issue appointment times and tickets as we have done in the past. We encourage you to get the vaccine at a local pharmacy or with your doctor, if possible, to avoid congestion on the day of the clinic, or if you have another appointment close to or at the same time as the appointment time given to you.

Supportive Housing Update

This is a reminder to all residents that the Supportive Housing office is not to be used as a walk-in clinic. The Director of Supportive Housing is here to help with emergencies for residents on the Supportive Housing Program only. All non-emergency and non-supportive housing residents must utilize their personal care practitioner and not the Supportive Housing office. The Northumberland Paramedics are holding clinics for 3 hours on Tuesday Evenings in the Phase 2 Supportive Housing Office.

Please wear a mask when you leave your apartment if you are experiencing any cold/flu symptoms.

If you dine in the dining room, you will be provided with a tray in your room until your **symptoms improve for at least 48-hours**

If you are experiencing vomiting/diarrhea you **must be symptom free for 48-hours** before coming to the dining room. You will also be provided with a tray.

Please call the front desk and ask to speak with Cathy if you have any questions about tray service.

Kitchen Report

This is a reminder that the kitchen does not cater to special diets. We can accommodate for documented allergies, but not for specialized diets. There are several options available at each meal to choose from if there are ingredients that do not appeal to you.

Resident guests are not allowed to be at the table unless they are eating. Residents must notify kitchen by 10:30 am for lunch and by 3:30 pm for supper

Thanksgiving Dinner will be served, with all the trimmings on Sunday October 11th.

MAINTENANCE REPORT

With fall arriving, all outdoor furniture will be cleaned and stored for the winter. The gazebo will be locked in the winter as well.

The heat is on! Thanks to the maintenance department for turning the heat on in the building to keep us toasty warm throughout the winter.

We have had some queries into quiet times at Legion Village. May this serve as a reminder that we need to ensure that TV and music volumes need to be turned down at 11:00 PM, and not turned on/up until 7:00 AM.

FIRE SAFETY

When we enter stage 2 of fire alarms, Sage monitoring begins the emergency call-in list, and the Cobourg Fire is dispatched. This is when the alarms sound in the hallways and common areas.

In the event of a fire alarm, it is recommended that you remain in your apartment until someone comes to evacuate you. The doors to the apartment are fire doors and will provide protection to you in case of fire. All residents will be evacuated and

Branch 133, Legion Village, Inc.

congregate in the Rec Hall until the Fire Chief gives the all-clear. As a reminder, the elevators will be engaged to the first floor and will remain inoperable during the active fire alarms. The elevators will resume service once the Fire Chief has called the all-clear.

SEPTEMBER BOARD HIGHLIGHT:

The Board of Directors met in September after the summer break. The financial statements for Legion Village Audit were approved. The time for the Annual General Meeting for the Board of Directors in November has been confirmed at 9:30AM to allow for more residents to attend. The Board encourages all residents to attend the AGM on **November 27th** at 9:30AM.

The Board approved the financial statements for June to August 2026.

And the final word.....

Thank you to everyone who volunteered for all our events and helped the staff to put on a great show for all of our residents throughout the year. Without volunteers, we would not be able to organize or run many of the events at Legion Village. I want to take a moment to thank each volunteer for your hard work and dedication to Legion Village and its residents.

As a reminder, the office and store will be closed on **Monday October 12th 2026** for the Thanksgiving Holiday.

Sincerely
Michael Eden
Executive Director
